# INTRODUCTION

---

*SAS Management, Inc. is one of the leading training and consulting companies in Asia, and the first and only training company in the Philippines to be ISO 9001 certified.*

*As one of the three AXELOS Consulting Partners in Asia, we are accredited to provide consulting services relating to best practice portfolio products which include ITIL, PRINCE2, and RESILIA.*

*As the only AXELOS Consulting Partner in the Philippines, we are the only company in the country authorized to conduct the full P3M3® assessments and high-level assessments for the ITIL® Maturity Model that provide evidence-based recommendations for improvements.*

*Our years of training experience, vast list of training courses, accompanied by trust from our partners and affiliates allow us to meet the high standards set by our clients.*

*We have offices located in Makati, Ortigas, and Cebu in the Philippines, in Malaysia and India. Our strategic locations allow our clients accessibility so we can reach out to them, or the other way around when their needs arise.*

## ORGANIZATIONAL CHART

VISION

## DELIVER RESULTS & CREATE VALUE TO ALL ORGANIZATIONS

*As an organization, SAS Management Inc. desires to create an impact in all its undertakings. We do not confine this to just our customers, but really every single person that we meet and interact with on a daily basis. We want to be known as an organization that can be trusted to meet the customer's needs. We want to be top of mind and be recognized as the best in what we do.*

## MISSION

**Our Mission is to be an agent of change, enabling our customers, partners, suppliers, and employees. We strive to create value in everything that we do and ensure that results are delivered every time.**

*In order to achieve our vision, we strive to be the organization that would be top of mind of each and every organization. We do this by providing the best professional training and consulting services possible. We strive to understand the needs and not just the wants of our customers, partners, suppliers, and employees. In every endeavor, we check ourselves if our actions lead to delivering the results needed and if we create the value desired. We believe that our value as an organization increases only when the value of those around us increase first.*

## CORE VALUES

In 2015, SAS Management, Inc. continued expanding, this time, globally. The India office was opened in January. The following year, 2016, SAS Management, Inc. started its operations in Malaysia.

SAS Management, Inc. has been providing consulting services and successful training sessions in Cebu with an abundance of clients since 2012. To serve the growing needs of the people in the central and southern areas of the Philippines, the Cebu office, was opened in June 2017. The office in Cebu is the third office in the Philippines, and it was opened a month prior to the company's fifth anniversary.

What started out as a one-man business back in 2012, has now grown into a global company.
