Deliver Results - Create Value

PRINCE2[®] Agile Foundation Program Outline

Course Description

The PRINCE2® Agile Foundation certificate is designed to help professionals deliver agile projects by tailoring PRINCE2® management controls with a broad toolset of agile delivery techniques and frameworks.

PRINCE2® Agile Foundation is also a pre-requisite for the Practitioner certification.

Prerequisites

There are no pre-requisites

Target Audience

PRINCE2® Agile is suitable for anyone who delivers projects, large or small, in an agile context. It is a valuable training and certification scheme for anyone working within an agile project environment, whether they're a project manager, project support or part of the wider project team.
